DANCERS: this by far was my most expensive portion of my budget!!!

My costume ladies constructed red and gold satin tops and skirts with cumberbundt covered in sparkling netting material. Masks were made from cheap Halloween masks and decorated with stickers and paint; head dress was constructed from mesh office supply holder and scrapbooking paper. Ribbon used to hold it on. Fans were purchased and feather tips added.

Dragon/Lion head was constructed from a lampshade and a variety of felt and other misc. supplies... the body was constructed of pvc pipe and felt...embellished... red felt fringe was added to black lounge pants finished off with red t-shirts. They wore black socks.
